## From the Pastor

He is Risen! He is Risen Indeed! Those are the most powerful words ever spoken in the history of the world. "He is Risen!" changed history. Some will say things are worse than they ever have been. I am not so sure of that. Since the beginning of time, man has been in rebellion against God. Throughout the Old Testament we see rebellion and the breaking of God's Holy Law. The same sins that were present then are present now. Technology has just made it easier and faster to sin. Since the beginning of time, people have been enslaved to sin. Left unchecked, our sinful human nature will choose sin and is inclined to sin. God makes that very clear in Genesis 8. The cross and crucifixion changed everything. Yes, we are still inclined to sin but the eternal consequences for believers has changed. The people in the Old Testament were saved by believing that the promise of the coming Messiah. We, Christians can see the fulfillment of that at the cross and at the empty tomb. History changed because the plan of salvation was complete. History also changed

because after the Resurrection, the Gospel message began to be spread everywhere. Unlike the Old Testament where mostly the faith spread when the Hebrews moved either forcibly or on their own volition. Now, after the Resurrection, the Gospel was willingly taken by men and some women to the various corners of the Roman Empire and beyond.

Today we live as He calls us to live and we wait for the Second Coming when all things will be restored to the way it was before sin entered the world. We will live in peace with Him and with His presence.

Pastor Daene
